

# NOTICE REGARDING COVID-19

**Until further notice, the Pierce County Commissioners have implemented limited access of the Pierce County Courthouse, Memorial Hall, Social Services and County Shops.**

Appointments will need to be made over the phone in order for the public to be given access with the county department they are seeking. We will do our best to ensure that residents retain access to the services Pierce County provides but felt these steps critical in ensuring the safety and health of both the public and county employees. We will keep you updated as the situation progresses.
